Pages 14 contains the top thirty five (35) scores for HOA, and Husband & Wife Team. Page 15 contains the top fifteen (15) scores for Singles, and pages 16 & 17 contains the top sixteen (16) Handicap and Doubles. We have three more shoots to go including "The Grand" to determine the winners. The order of the names can and will change or be added as we shoot these next three tournaments. There are people that do not have six shoots in as yet and the scores do not reflect their proper standings or there are people that have shot six shoots but will shoot better scores in the next three shoots and throw out low scores and raise their six shoot standings. Remember, you have to shoot six (6) of the nine (9) shoots to be eligible for the coveted Year-End Buckles. Your top six (6) shoots are what counts. And again, the scores at "The Grand" DO count for all year-end buckles, not just handicap.
