

SOUTH BAY TRAP LEAGUE NEWS – MARCH, 2006

Our first shoot of 2006 was very good. We had a total of 123 shooters. The club under Otto Bartholdi did everything right. The equipment and personnel performed to perfection. They were ready when we were, and they endured until almost 6:30 when shootoffs were completed.

Our next shoot is on March 11 at Livermore-Pleasanton gun club. We will shoot on at least 6 traps. Starting time will be at 10:00 AM, with the office open at 9:00 AM. This is a very nice trap club and is well managed as well.

I want to welcome our new shooters. There were 19 of you and I hope SBTL becomes a regular part of your life! Shooting for the Metcalf Coyotes – Tom Pulley, George Volkoff, Bernard Trinidad, Earl Davenport, Eli Benzor, Mark Ferreria, Keith Foster, Glen Kowalchik, Doug Graham, Mike Graham, Tim Blank, and Jim Manley. Shooting for Sunnyvale – Warren Fay, Jeff Hardy, and Fred Harland. For Waterford – Cindy Hern and Tom Sielinski. For Livermore – Charles Zeiler and Dean Floyd.

If you are comfortable using the Internet, please consider receiving this newsletter online. It is posted on our website a few days before the postal version arrives, and you will be notified by email when it is available for downloading. **This will save SBTL about \$1.00 each month.** Just tell us at sign-in that you do not need a mailed newsletter. The cashier has forms if you want to be notified by email when the newsletter has been posted.

For those of you who shoot semi-autos, please remember that SBTL rules state “**all guns must be equipped, fitted, and utilized so as to not eject empty shells in a manner that substantially disturbs or interferes with other shooters.**” Rule books are available at each shoot. If you do not see them, inquire at the handicap table. Shell catchers are available at supply houses for several brands of guns, and a rubber band will solve the problem except for doubles.

Since there were about 20 pre-squadded shooters who did not alert us of their absence prior to the shoot, we had a number of “short squads” of two to three people each. This is a disservice to those squad mates! As a consequence of this situation, a number of people have been eliminated from the pre-squad list, and many of those positions have already been filled with other shooters. The updated list is printed elsewhere in this newsletter.

For changes or additions (plan on shooting 5 or more times) to pre-squadding, call 408-395-0140 and leave a message. In you cannot attend, please let us know before the Thursday preceding a shoot, if possible. B.J.
