

SOUTH BAY TRAP LEAGUE NEWS –JULY, 2006

There were 122 shooters at Newman. This was a good turnout. It was just one shooter below our season high in February. The weather was great, the targets were good, and all equipment worked flawlessly! Our thanks to Esther, Mike, Stewart, Jeff, Jim, and all of the others who gave us a very good shoot. A measure of just how good the day turned out to be was shown by the scores. There were 25 scores of 140 or above and four handicap scores of 49! Surely this is a record and congratulations to all of you.

Our next shoot is on July 8 at Livermore-Pleasanton Gun Club. The office will open at 9:00, and shooting starts at 10:00. We will start three squads at a time in both the 16 yard event and Handicap. We will use four fields for Doubles and a fifth trap for the .410 event.

I want to welcome our new shooters. They were: **Richard Lanz**, **Gary Bettencourt, Jr.**, and **Brenton Farmer** of Waterford and **Josh Wildt** of Newman. We also welcome back **Tony Souza** of Newman and **Jerry Parr** of the Eagles. We hope all of you will put SBTL on your calendars!

The updated presquad list is printed elsewhere in the newsletter. There are a few changes and several deletions. For changes or additions to presquadding, call 408-395-0140 and leave a message.

Reminder – Always examine your entry card before paying the cashier. In SBTL, your classification and yardage changes on the basis of your average. You do not have to win to have a change. There can also be a mistake made during the classification process. The shooter must **always** shoot SBTL at the shooter's highest class or yardage from ATA, PITA, NBTL, SBTL, or any other organized league. Please refer to Section E of the SBTL rule book. **Report any mistake to the office immediately.** A mistake in handicap can have serious repercussions because shooting at too long a yardage puts the shooter at that minimum yardage for the remainder of the year. Shooting at too short a yardage is even worse – all targets shot from too short a yardage will be scored as **L O S T !**

RULE REVIEW: We all know that we are to stand behind the 16 yard line in singles and doubles as well as our handicap yardage line. New shooters may not know that the shooter must also straddle or stand with at least one foot on an imaginary line drawn through the center of the trap and continuing through the center of the post. Contestants not following these rules should have any targets broken called a “**no target**” and any targets missed scored as “**lost.**”

Hope to see you at Livermore-Pleasanton. B.J.
