

SOUTH BAY TRAP LEAGUE NEWS – AUGUST, 2006

Just how good was the July shoot at Livermore-Pleasanton Gun Club? There were 141 shooters, the most of any shoot this year. There were two 50 straights and five scores of 49 at Handicap. The weather was good and all of the equipment worked properly. Everything considered, it would be hard to have a better day!!! Our thanks to all the people at the club who put in a long day to make it happen.

Our next shoot is on August 5 at Santa Clara County Sports Park, sometimes called Metcalf because it is off Metcalf Road. The office will open at 8:00 and shooting starts at 9:00. We are shooting early in the month to avoid a conflict with the Grand American Shoot in Illinois, the largest shoot in the world.

I want to welcome our new and returning shooters. They were: **Cory Wing, Kenneth Uhl, Daniel Buchheit, Jim Hegarty, Jim Wyllie, Bill Pacheco, Ellen Pistole, Daniel Kisner, Mel Helm, James Reed, Laurie Reed, and Paul Goulet**, of Livermore; **Dwight Ortman, Charles Eaton, and Steve Morishige** of Sunnyvale; **Don Wyman** of the Eagles; **Susan Nannini** of Metcalf; **Dan Bonillas** of Newman; and **Bob Gomes** of Waterford.

OOPS! There was a problem with the printer print-out for the Handicap 25 Option at Livermore. The monies paid out were only half of the monies paid in. This shortage of about \$130 will be paid at Metcalf. If you played this option and you shot a 25, 24, or 23, you will have additional money coming. We know who you are so you do not even have to ask for your money; we will have it for you at the sign-in table. We apologize for this mistake. We also apologize for the printer problems which led to a delay in posting scores at Livermore.

The updated presquad list is printed elsewhere in the newsletter. There are a few changes and deletions. For changes or additions to presquadding, call 408-395-0140 and leave a message.

Reminder – Always examine your entry card before paying the cashier.

Please examine the newsletter for the current standings for year end buckles. Only the best five scores are used in this tabulation. So, up to three “bad” scores can be thrown away if you shoot all eight regular shoots. For the handicap buckles, six scores are used, with one-half of the Grand score available to be part of the six scores. Many of these awards are won (or lost) on the last shoot. The buckles are sterling with a silver dollar and are among the best given in the state. The SBTL Rule Book, **on page 11, sec. 7**, explains the rules for determining a shooter’s classification for the year end buckles.

Don’t think the year is over if you are not in contention for these year end awards. There are 20 sterling buckles for the Grand (Oct. 14) alone. They are given out in the same manner as for any of our eight regular shoots with two exceptions. First, these awards are nicer than all other awards except the year end awards; second, the top 20 shooters plus alternates do not compete for these 20 buckles. Those people are designated as **Allstars** and compete among themselves for eight other similar buckles.

Hope to see you at Metcalf. B.J.
