

SOUTH BAY TRAP LEAGUE NEWS – MARCH, 2007

~~It was a dark and stormy night.~~ OOPS, wrong story! With the exception of wind during doubles, the Newman shoot conditions were good. No rain gear was needed. There were 85 shooters in attendance. We extend our thanks to Esther, Jim, Mike, Jeff, and Stewart for assuring that we had a good shoot.

Unfortunately, there were 15 to 20 presquaded shooters who did not notify us that they were not attending. Presquadding carries some personal responsibility because your squad members do not want to shoot with one, two, or even three members. It was only because Sam Grove spent over an hour moving people around that the shoot went smoothly. Presquadding takes place on Friday before the shoot so please try to call early.

SQUAD CHANGES Most squads have been moved up to fill empty slots. **Check the presquad list!!!!**

O6 GRAND The 16 yard B Class award was not shot off last October because we ran out of time. It was “carried over” to the Newman shoot. Keith Kaneda of Sunnyvale won the carry over. Likewise, the .410 event was not shot at the Grand. This event was shot concurrently with the .410 event at Newman. Carl Hill of the Metcalf Coyotes won the Grand event. Congratulations to these two shooters.

RULE REVIEW If a shooter does not fire at a legal target thrown on time, it is ruled as a Failure to Fire unless the shooter has deliberately not shot,. Deliberately refusing a legal, on-time target is a lost target. A shooter is allowed two of these Failures to Fire per sub-event. For the first two occurrences, the target is shot over. After two, all further occurrences result in **lost targets**. In doubles, the shooter can have a Failure to Fire on either shot, but to have a Failure to Fire on the second shot, the shooter **must have broken the first target**.

TIDBITS If the wad clears the barrel, the gun has fired and the results are scored. A flinch is not deliberate and is ruled a Failure to Fire. Deliberately shooting twice at a doubles target is scored as LOST PAIR. If a gun “doubles”, it is a Failure to Fire subject to the limit of two, even if the first target is missed. After two Failures to Fire, a “doubling” is scored.

WANTED The history file of SBTL newsletters is missing a large number of copies. The list is too long for this space. A copy of the list is on the handicap table. Can you give us some missing copies?

PRESQUAD For changes or additions, call 408-395-0140.

NOTE Some 1000 bird and All Star pins still are unclaimed from 2006.

The March shoot is at Livermore-Pleasanton. I hope to see you there. B.J.
