SOUTH BAY TRAP LEAGUE NEWS – JUNE, 2007

We had 97 shooters at Waterford on May 5. It was a lovely day for flying a kite but just a little too much wind for optimum trap shooting. However, as we said last month, “Trapshooting is, indeed, an outdoor sport.” The scoring personnel from Waterford did an excellent job. Our office staff said that not a single error was found in the score totals on the score sheets. In our six years, that is a first. However, I am sorry to say that the trap equipment did not perform as well. Losing a trap for doubles slowed down the shoot considerably and target breakage was epidemic. I want to thank all of you shooters for your patience.

Attendance was boosted by seven new shooters: **Jim Weaver, Ron Weaver, Blair Wright, Bobby Alquist, Kevin Clinkenbeard, Brian Houser, and Brian Casteel** with three returning shooters, **Zachary Azevedo, Dave Young, and Gregg Ebenal**, all from Waterford. In addition, new shooters **Ken Harrison** and **Brian Kuehl** from Newman shot their first SBTL shoot. We thank you for attending and hope to see you at Newman on June 2.

REPEAT This is the last year for Sylvia and me to be active in running SBTL. If you have any interest in our positions, please let us know.

SAFETY The single most important issue in trapshooting is SAFETY. All shooters must be diligent, because it is so easy to make a mistake. We must be careful with our muzzle position and never let our barrels point at or sweep across another shooter. We must never walk with a shell in the gun, even if the action is open, and this includes a fired hull. We must be sure that we do not throw hulls onto an adjacent shooter because it is disruptive and can damage that shooter’s shotgun. Most difficult of all, we must speak up when we see any unsafe activity. Most of the time, the shooter in question is not aware of the problem and just has made a mistake. If gentle persuasion does not work, notify “shoot Management.”

PRESQUAD For changes or additions, call 408-395-0140. A number of changes have been made to the presquad list. Most have been deletions due to repeated **no-shows without notification**. A no-show almost always results in a short squad. Most of us like at least four shooters on our squad. Please think of your fellow squad mates if you cannot attend. Please give me a call as soon as possible because preparing squad sheets occurs on Thursday and Friday before a shoot. If, at that time, there are squads with fewer than three people, I move shooters to prevent a one or two person squad.

The June shoot is at Newman. I hope to see you there. B.J.
