SOUTH BAY TRAP LEAGUE NEWS – JULY, 2007

We had 88 shooters at Newman on June 2. This was considerably lower attendance than we expected. There were competing shoots and numerous high school activities. The weather was the best since the March shoot. Esther, Mike, and Jim ran a good shoot for us. There were no problems and with the small turnout, we were finished just after 4:00 PM. We want to thank all of the Newman crew for their diligent work on our behalf.

OVERSIGHT We want to thank Forrest and Michael O'Brien for their monetary gift to the league. Forrest was a regular shooter for many years and still shoots on occasion. His son Michael was a regular junior shooter until school life and career got in the way. We would like to see both of them back on "the line."

GOOD NEWS I am pleased to announce that Dennis Fazio and Warren Morimoto have volunteered to manage SBTL in 2008. They both are dedicated SBTL shooters from the Metcalf Coyotes group. I am confident that they will do an excellent job in carrying on the fine traditions of SBTL. They surely will need assistance and would appreciate other shooters stepping forward to help.

SAFETY The single most important issue in trapshooting is SAFETY. If a shooter shoots a semi-automatic **and** the ejected shells substantially disturb or interfere with other shooters, then it is a **safety violation**. You might ask why this is a safety rule. Probably because if a shooter has a MEGA \$\$\$, Model 2, and a hull puts a dent in the forearm, there just might be a temper tantrum and that can lead to a serious safety situation!

FAVORITE RULE The Failure to Fire rule is a complex rule, so I will not go into details since I have beaten it to death already. There are some less obvious situations worthy of mention – empty chamber, a flinch, doubling, not seeing a target, a bad shell – all of which qualify as a recordable Failure to Fire. The shooter gets **two** free F to F before they are scored as lost targets.

PRESQUAD For changes or additions, call 408-395-0140. A number of changes have been made to the presquad list. A squad asked to shoot later, so squads after #15 have been moved up.

ATTENDANCE We are experiencing a significant reduction in the number of shooters at our meets. Through the first four shoots, attendance has been 408 shooters vs. 447 in 2006. Newman and Waterford are both up in shooters and Livermore is flat. All other groups are down. I do not have the breakdown for shoot #5, but overall attendance was 88 versus 122 in 2006. So the trend is still down. We need to get these shooters back!

UNCLAIMED TROPHY We have a trophy for Earl Davenport – Class C Singles won at Livermore in March.

The July shoot is at Livermore-Pleasanton. I hope to see you there. B.J.
