

Welcome back to another year for the South Bay Trap League! We had a great shoot in Sunnyvale – a warm sunny day, with great targets thrown by Jerrie Hanamoto and his crew. There were 130 shooters on 28 squads. This included 22 new shooters to SBTL -we welcome you to the league, and hope you enjoy the shooting, friendly competition, and the social aspects of spending a day with some like-minded folks.

We usually 'lock in' your team affiliation based on your declaration at the first shoot of the year (rule D.5). But due to some of the confusion at the first shoot (yes, I'm still learning) it may not have been clear what teams were available. So please check your entry card at the Livermore shoot and verify that we've correctly captured your team affiliation.

Also on your entry card – your handicap yardage and classifications for singles and doubles are the basis for the award classifications (rule E). Changes can be reviewed at the handicap table when you register. Remember – SBTL classifications are calculated differently from ATA / PITA. Your SBTL classification will not be less than your ATA / PITA class, and it could be higher based on your SBTL averages. Please review our SBTL rules which are posted at www.sbt.org.

With the large number of shooters, and the 6:00 pm curfew at the Sunnyvale club, we weren't able to hold the .410 event or complete all of the shoot-offs. For the AA and A class singles, we'll carry over and use the first 25 singles targets in Livermore. If there are still ties, we'll use the 2nd set of 25 singles targets (per rule L.8). If still tied after that, we'll have a separate shoot-off at the end of the day.

Awards – at the end of each shoot we're all anxious to gather our awards, but in SBTL a shooter may receive only one award per meet (rule I). So please give us some time to settle all of the shoot-offs and determine the final winners. We'll announce when the awards are ready and the bank is 'open'. Thanks.

We're looking forward to seeing all of you in March at Livermore. Registration starts at 9:00 am, and shooting starts at 10:00 am.

Get out and shoot....SCHEDULED SHOOTS @ South Bay Clubs FOR 2008
