

May 2008 Management Communiqué to League Members:

116 shooters, a temperate day and a great shoot run by the Newman staff had us finished with all shoot-offs by 6pm. This and the new two computer/printer office staff effort allowed us to open the bank and deliver the trophies, while most all shooters were still at the range. Thank you Swamp Rats and thank you Warren/Jessie/Betsy/Mark, office staff first class!

HELP....We still are in need of an office staff replacement individual, right now, this year. We will be contacting a few of you who have shown some interest directly during May. Also, note that we will also need two new handicap/squadding table personnel during next season (2009).

.410 CHANGE....The Handicap Committee decided to eliminate the yardage handicap for .410 event winners. All .410 shooters will shoot from the 16 yard line for all future .410 events.

PRE-SQUAD "NO SHOWS".....the squadding table personnel looked like they had bathed in "sno-pake" (aka. whiteout) at Newman. Please call ahead and let us know if you are not going to be at the shoot. We do have the shooter/scoring/squad sheets done on the Thursday prior to each shoot for pre-squadded shooters. I have now started a "dawg house" for pre-squad, no show, shooter entry cards. We will have to remove the privilege, if you don't forewarn us.

SAFETY.....ATA Rule VII A.8. ATA rule VII.A.8. To preserve the harmony of the competition, no member of a squad shall move toward the next post or leave the field until the squad member who is last has fired his/her final shot of the current post's specified number of targets. (Problems of this sort were noticed at Metcalf in March)

C U all in Los Banos on June 14.....

Get out and shoot....SCHEDULED SHOOTS @ South Bay Clubs FOR 2008
