

## July 2008 Management Communique to League Members:

129 shooters and reasonable wind god performance in Livermore led to a great day of shooting. Thanks to the Livermore crew, all the events ran well and very smoothly.....and the league members' love for shooting there is shown by our two highest turnouts for 2008 shoots having been at Livermore.

HELP....We still need two new handicap/squadding table personnel during next season (2009). Their contributions are assuring that all shooters are at their appropriate yardage, assembling and modifying the score sheets for each event, getting the score sheets to the appropriate trap for each event, and welcoming and orienting new league shooters to the classification and signup process.

SAFETY.....this is everyone's responsibility! I (Dennis) screwed up by not identifying a 3 yard stagger, shooter to shooter, on one squad for Livermore. This is typically highlighted, by Dennis, for the handicap table, so it is fixed before we start shooting. WE are all responsible for checking/helping one another to make sure these errors do not translate to unsafe situations on the field during shooting. In this case, the shooters/squad leader/puller should have questioned the screw up and "stopped" the music. It did not happen and when it was discovered and pointed out to the squad leader NO appropriate remedy was initiated. THE SAFETY RULE IS 2 YARDS SHOOTER TO SHOOTER WITH A MAXIMUM OF 3 YARDS DIFFERENCE ON A SQUAD!

LUNCH.....by "contract" all the host clubs are required to provide lunch service for the shooters. It has been our experience that about 60 shooters, plus the club staff partake of the lunch service. So, to help the clubs with their financial risk, we have alerted the clubs that they should only be planning "lunch" for about 60 to 70 people.....not the total expected shoot attendance of 100 plus.

NEW SOFTWARE.... At the last Livermore shoot, we debuted the beta version of the new Shoot Management Monitor(SMM). The software on the SMM is designed to track the up-to-the-minute status of the winners and potential shootoffs according to the South Bay League Rules. Remember that the South Bay League has a cascading award system. Awards/Shootoffs cannot be considered as final until ALL scores have been entered into the shoot computer. Shooters should NOT assume that the shoot results are complete until the monitor indicates that they are FINAL (in BIG BLUE LETTERS in the TOP RIGHT CORNER OF THE SCREEN). The goal of the SMM is to let shooters know who the current contenders are for the SBTL awards as of that moment, on that day. If anyone has any questions or suggestions please see Warren Fay.

**2009 SCHEDULE...proposed dates are 2/7, 3/7, 5/2, 6/13, 7/11, 8/1, 9/12, 10/10**

C U all at Metcalf on August 2..... ----- Dennis & Warren M.
