## Management's Musings

114 shooters and the best shooting conditions we've ever experienced at Sunnyvale Gun Club complimented the superlative job done by the Sunnyvale volunteers and shoot management. Well done!

It was great to see some new shooters along with all you "experienced-timers" after our winter layoff. All of you got there despite the USPS's attempt to deliver many flyers after the shoot date. They were mailed on 1/29/09 to remind you all and we are still experiencing some being delivered on 2/10/09.....we are following up.

To improve data integrity and appropriate shooter classification we are moving to a new shooter scoring and database system this year. The intent of your long wait at the handicapper(s) and squading tables was to assure you agreed with your classification/handicap for the start of the new season. The process lead to about 5% of the shooters "appealing" their classification/yardage. We are reviewing all the 2009 classifications and yardages and will be finalizing your 2009 buckle class data with you at the March shoot in Livermore (note: buckle classes are intended and ruled to be set at the first shoot of the new season, we are extending this operation till the March shoot in 2009).

## Handicap Purses

### Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number of shooters that shot one or more 25's.

### Perfect 50's \$611.62

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be divided **between the Perfect 50's participating at that shoot.** To be eligible, a shooter must have shot at least three previous South Bay Trap League meets between the current and previous years.
