Management's Musings

140 shooters and a cooperative end to the recent rain made for an excellent shoot at Livermore. The Livermore folks did an excellent job and thanks to some SBTL shooters and volunteers stepping in to do lunch relief for the scorers we were able to shoot straight through. Shoot-offs were done by 5:45pm. Great turnout and great shoot!

We need your help to make sure our gracious volunteers are able to take care of you as we would like. Please make sure all your shooter card information is right and clearly marked AND please check to make sure that your classification and category are right when the scores get posted (obviously, contact the office to assure we are able to correct any mistakes that you find). We unfortunately missed a category call on a shooter at Sunnyvale. We **do "check" all items but we all have day jobs, too. THANKS.**

We have seen no safety issues crop up so far this season. Keep up the good work, your muzzle pointed in a safe direction, and the chamber empty and open when moving about the shooting grounds.

Handicap Purses

Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number of shooters that shot one or more 25's.

This purse is open to all shooters.

Perfect 50's \$652.62

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be divided **between the Perfect 50's participating at that shoot.**

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.
