Management's Musings

109 shooters made for an excellent shoot at Metcalf. All ran smoothly and it was **great to start shooting an hour later, keeping the sun out of the early squad's eyes.** This coupled with getting shoot-offs done before 6pm made the day as lovely as the weather. Thanks County Crew for the great job!

We want to thank Caesar Guerini Shotguns, via George Volkoff, for donating 3 "non-winner" awards! We elected to give them to the middle scores posted for each event with a coin flip to break any ties. Dave Fleming, Ron Ingram, and Timmy Rodriguez were the lucky winners.

We would like some help defining the species of a hand carved wooden duck decoy that will be donated to the league to raffle during next season (we will disclose the **carver/donor's name with the results of the species selection**). **Send your species selection to the website by July 1, 2009 and we will tally the votes....note the FIRST person who suggests "Great Northern Spoonbill" gets a worm, a virus, and additional 5 yards added to their handicap classification!**

We would like to thank our office/squadding/handicapping volunteers, who truly **make this league "of the shooters, by the shooters, and for the shooters", for their volunteer time and efforts to keep the league operating and fair for all. We are beginning to solidify as a team which makes "faking it" as the boss much easier.** THANKS guys!

CU all in May at Newman and remember we start early there...signup 8am....shoot 9am!

Dennis and Warren

Handicap Purses

Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the **total number of 25's that are posted.**

This purse is open to all shooters.

Perfect 50's \$685.62

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be divided **between the Perfect 50's participating at that shoot.**

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.
