Management's Musings

111 shooters, grey skies, and NO wind...can this be Newman? We can't complain about the sun being in our eyes, when it doesn't bother to come out. The shoot ran smoothly and we were finished with shootoffs before 5:30pm (we did start an hour earlier, so the shoot ran its normal 8+ hours). Thanks to the Newman Club for **keeping everything running smoothly and we're sorry we walked off with your stapler last year after the Grand...it finally found its way home on May 2.**

Remember to cast your "species vote" via the contact us tab at <http://www.sbtll.org/?nav=contactus> for the hand carved wooden duck decoy to be raffled during the next SBTLL season.

We have invested \$150 in a new laser printer and will be printing our own score sheets and shooter registration cards in the future. THANK YOU Kwik-Way Muffler (aka. Bob and Dave Graves) for donating the funds for the new printer. We plan to purchase one more laser printer and a new server laptop with the funds we generated at last year's Grand raffle in the next couple of months.

Next shoot is in Los Banos and they have six fields/PATtraps to handle the shoot. Be there on time, even though we start shooting at 10am your squad will come up **quickly! And don't forget their delicious breakfast burritos will be available when you arrive...**Larry Chandler disclosed that they have made a small, secret ingredient change since we shot there last year.

CU on June 13...

Handicap Purses

Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the **total number of 25's that are posted.**

This purse is open to all shooters.

Perfect 50's \$719.62

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be divided **between the Perfect 50's participating at that shoot.**

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.
