Management's Musings

130 shooters for the SBTL Opener at Livermore and no rain made for a great day of trap-shooting. The Livermore Crew made the shoot run efficiently and the ability to use three starting traps for singles and handicap had us beating the sunset with our shoot-off activity. We will be able to shoot with the same format in March at Los Banos. Please remember that unless there is a time crunch, each subsequent event starts when the previous event completely ends. We had a few over excited handicap shooters at the last shoot.

Thanks for picking up all your winnings from the 2009 Grand!

A special welcome goes out to Kim Bowers, Jerry Cossey, Fred DeMichelis, Todd Dickerson, Mike Dolcini, Jeff Haeberle, Doug Jeffers, Roger Slifer, and Mary Stapleton our new shooters for the month of February. We are glad to have you with us.

You may have noticed that we are sporting two new computers and two laser printers (one new this year). We decided it was time to upgrade the office equipment and believe **we tracked the scoring problems experienced at last year's Grand to the wireless hub we were using. So, we are running wired with Ethernet cables and Warrens' Fay and Morimoto spent the Sunday prior to the Livermore shoot "plugging and playing" to assure all would run fast and smooth at the opener. THANKS guys, the effort exceeded our wildest recognitions!**

Please make sure to review the changes that we are making to the Registration procedures. These changes are detailed on page 2 below the Pre-squad Matrix and affect all shooters.

With the 9am registration and 10am start shooting at all clubs but Sunnyvale, beware that cooked breakfast may not be available except in the form of coffee and donuts...however, I am expecting that those famous breakfast burritos will be available at Los Banos.

The hand-carved and painted, decorative Mallard Decoy for our 2010 raffle was in the **painting stage when we arrived at Livermore.....Dan Buchheit has promised we will have it for display at Los Banos.....bring money! \$5 per ticket or 5 tickets for \$20.**

CU and the "Wooden Webster Webfoot" at Los Banos on March 13!

Please remember to check your handicap at each shoot before you register.

If you have questions, please speak to the handicapper.

Handicap Purses

Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number **of 25's that are posted.**

This purse is open to all shooters.

Perfect 50's \$256.00

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be **divided between the Perfect 50's participating at that shoot.**

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.

Registration Procedure Update

If you are on one of the first nine (9) squads, please be aware: to assure that early squads are as full as we can make them, we will be moving cards for shooters that have not yet checked-in to the squadding table 30 minutes before shooting starts. Our goal is to backfill squads with shooters who are present and registering. If you are on one of these early squads and happen to be running late: plan to arrive with screeching brakes, or in a cloud of gravel, please have one of your squad mates pickup your shooter card and deliver it to the squadding table with the message that you are on your way and will shoot that day.

30 minutes after the shoot begins we will move all remaining non-registered cards to the squadding table. As of that time, please check in with squadding to see if there have been any changes to your squad/post.

The number to reach us on shoot days is 408-896-1452. It is manned at every shoot.

Gun Safety is everyone's business.

Always be aware where your barrel is pointed. Please remember, when changing posts or changing traps, your guns should be open with nothing in the chambers.
