## Management's Musings

131 Shooters and a bluebird day at Livermore lead to some very high scores and a great day of shooting. Thanks to the Livermore team for running a smooth and efficient shoot. Also, thanks to those SBTL shooters who scored during the pullers lunch break to allow us to keep shooting during lunch and complete all shooting and shoot-offs by 4:30pm.

**Kudos to all of you who brought a friend to the shoot at Livermore and introduced them to us ... we hope they enjoyed the challenge. Keep 'em coming!**

We had 11 new shooters with us at Livermore. We want to extend a special welcome to: Wayne Anderson, Tom Applegate, Jimmy Clark, Richard Duroy, Joshua and Kevin Harp, A.J. Martinez, Jim Price, David Rose, Gregg Vien and Steven Zaballo. We were also happy to see returning shooter Bob Gomes who is shooting with us again after a 3 year absence.

We have set the dates for the 2011 season (the second Saturday of every month) and will be finalizing the individual host club dates and our fee structure for the 2011 season over the next two months. All will be set by the October Grand – keep October 9th on your calendar for the GRAND in Sunnyvale!

We did great on absence notification for this shoot. Keep up the good work! Call 408-896-1452 or **hit the click "here" key to report expected absences before each shoot.**

Safety Reminder - safety is everyone's responsibility. While the squadding team does everything they can, they are human. Before your handicap event, get used to checking the yardage between each shooter. For safety reasons, we only allow a two yard difference between shooters, and three yard difference on the whole squad. Specifically remember to check the difference between the shooters on posts 5 and 1. If the yardage differences are too great, there are three (3) possible corrections: 1 - the shorter yardage shooter may shoot from a longer handicap yardage—this is an immediate fix that can be made on the field—**change the shooter's yardage on the scoresheet then** your squad can start shooting (remember the shorter yardage shooter will shoot from the longer yardage for the rest of the year); 2 - shuffle the squad to meet the yardage guidelines—be sure to change the scoresheet so that the correct shooter gets the correct score; and 3 - **if you can't fix the problem on the field DO NOT SHOOT** -immediately notify one of the members of the SBTL management and we will resolve it for you.

Lastly, each year the SBTL tries to set Program Fees as low as possible, based on budgeted shooter counts. This year we are lowering the program fees for the August and September tournaments because our average shooter count has exceeded expectations. We want to reward the shooters that shoot each month instead of using these extra monies at the Grand. If the participation in Aug and Sep supports a 110 shooter per shoot average, we will also lower the target costs for the Grand.

CU on August 14 at the Santa Clara County Field Sports Center (aka. Metcalf) ...

Dennis and Warren

### **REMINDER TO ALL ATA/PITA SHOOTERS:**

**We are now into the "grand" months (June/July/August) for the national leagues. It is very important that you notify us of any changes to yardage that you acquire while shooting at the "grand" events.**

## Handicap Purses

### Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number **of 25's that are posted.**

This purse is open to all shooters.

### Perfect 50's \$429.00

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be **divided between the Perfect 50's participating at that shoot.**

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.

**REMEMBER TO CHECK YOUR CLASSIFICATIONS ON THE SCORESHEETS!**

**While the office staff does everything that we can to ensure that all computer entries are made according to the instructions on the entry cards, it is ultimately the shooter's responsibility to check their entries on the scoresheets. We had a shooter lose out on a category award at the July shoot because of a keypunch error. As a reminder, these corrections can only be made before the end of the shoot. After the shoot, one is out of luck.**

### The Post-Grand Awards Dinner

Just three more months until the GRAND. Start planning now to attend the Post-Grand Awards Dinner and celebrate the victories of all our shooters. Bring your spouse, partner or family. Fun will be had by all.

The menu this year will be: 12-14 ozs of Hand-Cut Prime Rib, Mashed Potatoes with Gravy, Corn on the Cob, Salad and Apple Cobbler with Vanilla Ice Cream for \$15.00 per person.

SRGC has asked us to try to get an estimated headcount so that they can plan what to order.

When you sign up during the August and September shoots, please help us forecast the number of dinners that SRGC will have to supply and prepare by giving us your plans to attend or not attend the Grand dinner .

### Gun Safety is everyone's business.

**Always be aware where your barrel is pointed. Please remember, when changing posts or changing traps, your guns should be open with nothing in the chambers.**

Year-End Contenders

- 1) To contend for a Year-End Award, you must shoot at least five (5) shoots this season (the grand does not count);
- 2) The event bucket that you compete in is the FIRST Singles and Doubles Classification and the FIRST yardage that you shoot each year;
- 3) Your top five (5) scores are totaled to produce your score;
- 4) We display the "low" score in your top five (5). Any score that you shoot ABOVE this score will change your total and possibly your ranking.

As always if you have any questions, please speak to Warren FAY.
