Our July shoot at Livermore was a resounding success with 119 shooters. The Livermore club members did a great job in keeping all the traps running smoothly and on time (and they even let us dodge the heat that day). Please give them all a big thanks. We also had a number of new shooters this month which not only helps to introduce folks to our sport but also keeps our league healthy and stable in these tough economic times. Keep up the new introductions!

And again, thanks to all of you who were able to pre-squad ahead of each shoot. This really helps our office volunteers keep all the events running efficiently with a minimum of hassle to all. For those of you who do pre-squad please let us know as soon as possible if you will not be able to attend the upcoming shoot. This saves time and confusion for all of us.

We're in the Grand season now so be sure to check the newsletters or our website to review the current standings. We expect to have all the dates for the 2013 season and club rotation available shortly and will let you know the info as soon as possible.

See you at Metcalf on August 4th.

Kerry and Steve

August 2012 Handicap Purses

Perpetual Purse

\$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number of 25's that are posted.

This purse is open to all shooters.

Perfect 50's

\$452.00

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be divided between the Perfect 50's participating at that shoot.

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.

Notes from the Shoot Office: Miscellaneous Thoughts

Howdy SBTL,

We have a great update for you this month! Steve, Kerry and I continue our transition on the back office tasks.

The back office is basically divided into three conceptual areas: 1) prep before the shoot, 2) processing after the shoot and 3) newsletter related stuff.

With just a little guidance from me, Steve and Kerry performed the first and second set of tasks including all the shoot setup, and the printing of all the reports and score-sheets used for the July shoot. After the shoot was over, they uploaded all the data into the Website and performed all the SBTL calculations themselves. I will continue to Sheppard these processes over the next few months and we feel confident that there will be no negative impact to the league during the transition.

Speaking of the league, we want to take a moment to simply say "Thank you" to all those shooters that have offered to help us run the league (you know who you are). It is really kind of everyone and it is nice to know that people care enough to not only shoot, but to offer their assistance. Steve and Kerry will be chatting with folks as they determine the appropriate jobs that they wish to farm out.

For those that are new (and old) to the SBTL, the last half of the year is really exciting with the league. More and more shooters make their presence known as they cross the 5 shoot barrier for entry into the Year-End Standings. The jockeying for position really gets heated. Remember nothing is decided until the fat-lady sings and the last bird is shot in October. Everyone still has a chance to better their scores and improve their position!

This goes for Team Standings too!! Our top 3 teams-to-date this year are Sunnyvale, Los Banos and Livermore. Come on Livermore Team Members: you still have the opportunity to knock off those Sunnyvale and Los Banos blokes from the top spot. Come on out and shoot for your TEAM!

Please remember that the next shoot at Metcalf is out of the normal cycle and held on the FIRST SATURDAY of the month to try to accommodate those shooters that attend the Grand American. For those of you that will be travelling to Sparta, the members of the SBTL wish everyone Good Luck!

Oh ... one last thought ... I know I remind shooters that "Gun Safety is Everyone's Business" every single month. Please understand that this is not just route communication or me just trying to fill up space in the newsletter. The SBTL and host clubs have had a fabulous record to date because our shooters exercise excellent gun safety and handling. This little reminder is simply to say "Thanks" and "Keep up the good work".

Everyone continue to enjoy our nice cool summer and Happy Shooting.

Please remember to check your handicap at each shoot before you register.

Unless you are a new shooter, all handicapping is done through the SBTL automated handicapping system. If the results of the auto-handicapper do not make sense to you, please email or speak to Warren FAY at the tournament for an answer. We are happy to explain or correct the handicapping as is necessary. As a reminder, all handicapping corrections need to be made before the shooter shoots his/her first bird of the event.

The SBTL wishes to sincerely THANK our advertisers, without whom, it would be so much more difficult to run the league.

Shooters, please remember to frequent our sponsors and show them that you appreciate their support.
